www.linkedin.com/in/dbulli

I have over fourteen years' experience in web development. Succeed on teams or working independently. Grasp new technologies quickly and learn them well. Excel at time-management and thrive under pressure. And I am always looking to be creative and innovative. My success comes from my ability to get the job done and have fun doing it. And I believe that a good attitude is contagious!

## TECHNICAL

### Programming

PHP, JavaScript/AJAX, HTML/DHTML, CSS, ActionScript, SQL, XML, XSL, Lingo, Perl, JSP, JAVA

### Platforms

UNIX, Mac OSX, Windows, LINUX

### Applications

Flash, Director, PhotoShop, Media Cleaner, Squeeze

### Databases

MySQL, SQL Server

## EDUCATION

**Barry University** · miami, fl · 96

B.S. Computer Science & Mathematics

Magna Cum Laude

## WORK HISTORY

**EnergySage** · boston, ma

**Senior Software Developer** · *aug 10–aug 12*

One of the original founding members and tech lead. Involved in identifying new business and technology opportunities, and delivering on them.

Managed remote Indian team to build business logic

Identified that consumer's were getting very disparate quotes from installers, and conceived idea to have installers bid on users' property. EnergySage pivoted business model and shifted towards new direction.

Built entire front end for customer portal. Built with HTML 5/SASS/JavaScript, and was fully mobile optimized

**BEAM Interactive** · boston, ma

**Senior Developer** · *apr 08–aug 11*

Lead and manage the Flash development team at BEAM. Oversee all flash development, providing estimates, brain storming, and resource management. Mentor developers to create sound architecture and good coding standards. All of this while still actively coding new websites.

Oversee all Flash projects for PUMA, Saucony, MINI, Halls, US Trust, CBS Sports, Living Proof, Bed Bath & Beyond, Deutsche Bank, and Virgin Mobile

Responsible for time and budget estimates on all Flash projects

Built AS2 and AS3 Rich Media OLA for clients using tools like DoubleClick

Built the HTML5 marketing website for Beam

**WGBH Educational Foundation** · boston, ma

**Senior Developer** · *jun 03–present, nov 97–oct 00*

Create custom Content Management Systems (CMS) using MySQL and PHP

Make and maintain web sites using XHTML/CSS/JavaScript

Code Flash interactives using XML, Actionscript 2.0 with live server interactions

Engineer sites using open source software, such as WordPress, Textpattern, and Drupal

Lead projects that enable knowledge sharing across the department

Oversee developers and provide CSS/Flash/PHP/JavaScript/Accessibility support

**GiantLoop Network Inc.** · waltham, ma

**Interactive Technologist** · *jan 01–apr 03*

Worked on an online portal web management for managing fiber optic network system.

Created entire UI experience for the product, including HTML wireframes, and Photoshop mock-ups. Also responsible for taking mock-ups and creating HTML/CSS/JavaScript/JSP. (BEA Weblogic) framework used.

**Scient** · boston, ma

**Front End Technologist** · *oct 00–dec 00*

**Digital Universe** · miami, fl

Technical Engineer · *feb 97–oct 97*

**American Express** · miami, fl

**Internship in Database Administration** · *jun 96–dec 96*
